Spring is in the air and for KPB that means only one thing “Great American Cleanup.” The month of April is proclaimed as the GAC. This year the clean up will include several different opportunities for our communities to participate.

**ADOPT-A-ROAD** is a program sponsored by Keep Pickens Beautiful to help get litter off our streets and highways. KPB does this by seeking and supporting individuals or groups, who adopt a portion of a street or highway in our county. These civic minded citizens agree to pick up litter on their adopted stretch of road once a quarter.

Recently, several members of the Knights of Columbus gathered at Our Lady of the Mountains Catholic Church to clean up the roadside along their adopted stretch of Refuge Road. KPB Board Member and Adopt-A-Road Chairman Bart Connelly along with Gary Wallpe, Todd Musgrave, Thomas Musgrave, Dan Warner and Shawn Roche worked for 3 hours gathering trash.

KPB and the community owe a big “thank you” to these gentlemen and the many others who have adopted roads.
