

## THANK YOU PICKENS COUNTY!

We had a terrific Great American Cleanup this year.

Keep America Beautiful's Great American Cleanup is the nation's largest community improvement program, engaging more than 5 million volunteers and participants every year to create positive change and lasting impact in local communities.

### Here is a summary of what we accomplished:

992 tires were recycled through the 'no charge tire amnesty' program and 150 were recycled through Pickens' pay-per-tire recycling program

several thousand Easter Eggs were collected from this year's egg hunt to be recycled for next year

Clean Sweep participants cleaned up Lumber Company Road

an additional 7 miles of road, resulting in 54 bags of trash and 5 tires, were picked up by Adopt-A-Road volunteers

more than 7,000 pounds of paper was shredded by our semi-annual shredder truck

### Join us for future activities and events.

Keep Pickens Beautiful has been working in Pickens County for more than 25 years.

We are able to recycle, beautify, and educate thanks to the support of our friends and neighbors.

We hope you will join us for future activities.  
Let us know if you're interested in volunteering.

Please consider becoming a member Keep Pickens Beautiful.  
Your tax-deductible support will enable us to increase our impact in our community.

**Thank You!**

## Thanks again for helping us to Keep Pickens Beautiful!
